RETREATS

SEPT 17-20, 2026
Sandy, Oregon

HELLO, I'M SO HAPPY YOU'RE HERE!

Jordan Norman, the founder of Ivy Wild Wellness and Host of Breathe & Breeze, is a devoted yoga teacher and holistic guide who creates intentional spaces for deep healing, self-discovery, and embodied presence. Jordan weaves together gentle yet powerful practices that invite women to reconnect with their inner wisdom.

Ivy Wild Wellness was founded on the belief that healing is a wild, sacred, and deeply personal journey. Rooted in the rhythms of nature and the wisdom of the body, Jordan Norman created Ivy Wild for those seeking holistic alignment—mentally, physically, emotionally, and spiritually. Through yoga, mindfulness retreats, sound healing, Reiki, and feminine-centered wellness education, Ivy Wild Wellness empowers women to reconnect with their inner truth, reclaim their health, and live with intention and connection.

Imagine a few days set apart from the noise and pace of daily life — days where your only job is to breathe deeply, move gently, reconnect with nature, and listen to the wisdom within you.

This is what awaits you in the Colorado mountains: clear skies, quiet mornings, soulful workshops, nourishing meals, and space — real space — to just be.

Our retreat is more than a getaway. It's a journey back to yourself. Through meditation, movement, creativity, and connection, you'll be invited to slow down, root into the present moment, and rediscover what lights you up from the inside out.

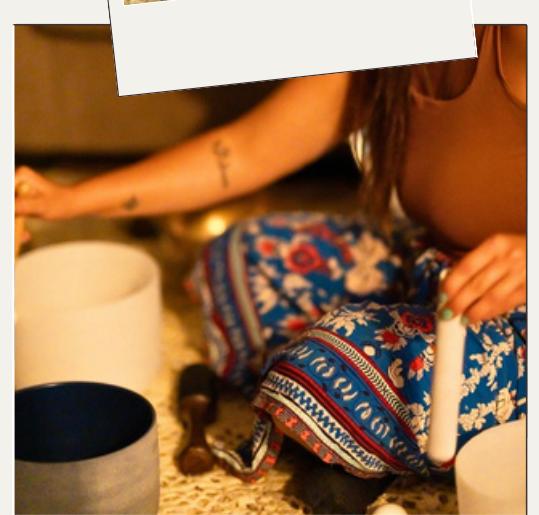

If you're craving time to recharge, realign, and step into a more grounded, inspired version of yourself — this experience was designed for you.

We would be honored to have you join us.

Will you answer the call?

With love and presence,

Jordan

Hi, I'm Jordan, and I'm so honored to be your host for this retreat! My journey into wellness began when yoga first captured my heart. Through deepening my practice and completing my 500-hour yoga teacher training, I discovered how powerful it is to reconnect with the body, mind, and spirit — and I knew I wanted to help others experience the same transformation.

As my path unfolded, I expanded into Reiki energy healing, massage, sound healing, fertility educator & more. Supporting women in reconnecting with their bodies, honoring their natural rhythms, and reclaiming their inner wisdom has become my true passion.

Today, I work with clients through private and group yoga, Reiki & massage sessions, fertility awareness coaching, sound healing events, and wellness retreats. Everything I offer is centered around the belief that true healing comes from within — sometimes we just need the right tools, support, and sacred space to remember it.

I'm so excited to guide you through this retreat experience. It's going to be a beautiful journey of connection, renewal, and empowerment — and I'm so grateful you're here!
